## **School Production**

New School Production for Year 4 and Above!

We are thrilled to announce this year's school production, which will bring the magic of Harry Potter to life on stage. This is a fantastic opportunity for students in Year 4 and above to showcase their acting, singing, and creative talents in a spellbinding performance inspired by J.K. Rowling's beloved stories.

Auditions will be held over the coming weeks and rehearsals will take place every Tuesday and Thursday, so students must be available on those days if they are successful in the audition process.

## **Important Information on ECAs**

Students must first sign up for their first choice ECAs as usual. Please note that the Production will not be listed on the ECA sign-up form.

- If your child is successful after the audition, their place in their initially chosen ECA can be made available to another student.

We can't wait to see the talent and passion that our students bring to this enchanting production. Let's get ready to wave our wands and step into the wizarding world of Harry Potter!

## **Swimming (Kindy to Year 6)**

We have many different swimming ECAs depending on the age and ability of the student.

Kindy / Reception Swimming: This is for the students in these year groups. ECAs take place mainly in the small pool but they also make use of the big pool with the underwater platform.

For primary students in years 1 – 6 the swimming sessions are based on whether students are beginners, intermediate or advanced. Please read the descriptions below to ensure that your child is doing a swimming ECA which is the correct level for them.

**Beginner Swimming:** For students who are learning to gain greater swimming confidence. They will work on submersion and water confidence and develop the ability to glide and float. These lessons are in a small pool with opportunities to enter the big pool at times.

**Intermediate Swimming:** The intermediate level is for students who can swim Front Crawl (freestyle) and who are now working on their back-stroke technique. These lessons take place in the big pool.

**Advanced Swimming:** This is for students who are refining the four competitive strokes and must be able to swim 25 meters in two strokes. They must be confident in the deep end of the big pool. Students will also be building their stamina as well as learning to dive. Only advanced swimmers are allowed in the slots and if swimmers are enrolled but not on the right level, they will be asked to change to the right class.
