A

Additional Maths (Year 11)

(Invite only) Lessons for Add Maths class.

Adult Coloring (Year 7 to 13)

Reduce stress and anxiety by focusing on colouring in shapes and patterns. Unplug from the world and find your centre.

B

Badminton (Year 7 to 13)

Come along and enjoy playing social badminton with your friends. This ECA is for players of all abilities who just enjoy playing, rather than receiving coaching.

Board Games (Year 7 to 10)

Relax and play board games with friends.

Book Club (Year 7 to 13)

Come and immerse yourself in the magical world of books! If you love reading, you can spend time doing your favourite thing. If you find reading hard, I can help you to become more confident and find some fabulous books to read. We will do our own independent reading and read some stories together. Reading for fun is great for your mental health and to help you improve your reading for school subjects too.

C

Canteen Mural Design (Year 12 to 13)

As part of The IBDP CAS Project, painting the canteen mural, it needs a group of responsible, committed and artistic senior students to kickstart the design and transfer it onto the canteen wall.

Chess Club (Year 7 to 13)

If you are new to chess, want to improve, or looking for something a bit more competitive, come and join this great club, where students of all ages come to compete in strategic and tactical battles every week!

Chinese Chess Club (Year 7 to 10)

Chinese chess, or Xiangqi, is an activity that immerses students in a captivating strategic board game. With two players, it involves 16 distinct pieces each side, all with unique movements and goals. By learning rules and tactics, students enhance critical thinking and problem-solving abilities. The engaging practice, puzzles, and analysis sessions refine their skills. Tournaments introduce healthy competition, while delving into its cultural origins provides a richer experience. Chinese chess serves as an ideal after-school pursuit, cultivating cognitive skills and cultural appreciation simultaneously.

COD (Year 7 to 9)

Explore your creativity by developing your coding skills using platforms such as Scratch, Minecraft & Python

Creative Writing (Year 10 to 13)

The ECA will focus on providing a structured space for students to develop and refine their writing skills. Meetings will typically involve short exercises or prompts, peer feedback, and discussions on writing technique and genre. Members will be encouraged to be adventurous and try new things which are broader than what be covered in class, as well as to share their work, and occasionally collaborate on group projects.

Crocheting Club (Year 10 to 13)

A fun club to learn the basics of crochet and a time to relax after school.
